

SirsiDynix

A Company Background

SirsiDynix helps libraries succeed. With SirsiDynix, you have the leader in strategic technology solutions on your team plus deep functionality and experience working for you.

As the global leader in strategic technology solutions for libraries, SirsiDynix takes its responsibilities seriously. Libraries are vital institutions with the exciting role of assisting people in discovering and using knowledge, resources, and other valuable content for their educations, jobs, and entertainment. SirsiDynix supports this vital role by offering a suite of superior library management and user experience solutions to help libraries successfully improve productivity and better meet the needs of their communities.

SirsiDynix serves more than 20,000 library outlets and 300 million people through its 4,000+ library and consortia partners in the Americas, Europe, Africa, the Middle East and Asia-Pacific.
